

## Credit Approval for Internship

The department will approve one credit for internship if it has enough educational merits. The internship to be approved includes self-arranged one in addition to special programs arranged by the department. For the judgment, one should submit reports written both by oneself and by the host company.

### Requirements for approval

- Course enrolment in “Internship (one credit)”
- Activity period longer than two weeks (10 working days)
- Submission of two reports: activity report by the student oneself and assessment by the host company

### Others

- The report forms can be downloaded from the department web page.
- The reports should be submitted to the department office.
